

PAYMENT POLICY
(For Cash and Insurance)

We are committed to providing you with the best possible care. If you have medical insurance, we are here to help you receive your maximum allowable benefits. In order to achieve these goals, we need your assistance and your understanding of our payment policy.

IMPORTANT! Payments for services are due at the time services are rendered. It is important that you verify your insurance coverage for chiropractic services. We will file your insurance for you for the first 90 days. If no payment has been made by the insurance company in that time, the balance will become your responsibility.

Your insurance is a contract between you, your employer, and the insurance company. We are not a part of that contract. We realize that temporary financial problems may affect timely payment of your account. If such problems arise, we encourage you to contact us promptly for assistance in the management of your account.

It is your responsibility to inform us at Dynamic Chiropractic Clinic, LLC if you have changes in address, phone number, employment or insurance companies.

If you have any questions about the above information or any uncertainty regarding insurance coverage, please don't hesitate to ask us. We are here to help you.
